Fort St. George, Judicial Consultation, 6th February 1857.

No. 20. Read the following letter from GEORGE ELLIS, Esq., Register to the Court of Sudr Udalut; to T. PYCROFT, Esq., Chief Secretary to Government, dated 23rd January 1857, No 9.

SIR

I am directed by the Judges of the Court of Sudr Udalut to annex for the information of the Right Honorable the Governor in Council, a copy of a letter from the Acting Civil Judge of Mangalore, dated 15th Instant, forwarding a Medical Certificate showing that Mr. Kindersley, the Acting Subordinate Judge, is incapacitated from the performance of his duties.

2. As the Acting Zillah Surgeon is of opinion that Mr. Kindersley will not be fit to return to his duty for a month or upwards, the Judges are of opinion that some provisional arrangement should be made for the performance of his duties, and as they are aware that no Civil Servant is at present available in Canara, they beg to suggest that either the Special or the Acting Head Assistant at Malabar be appointed to act as Sub Judge of Mangalore during Mr. Kindersley's indisposition.

From D. MAYNE, Esq., Acting Civil Judge of Mangalore, to the Register to the Court of Sudr Udalut, dated Mangalore, 15th January 1857.

SIR

I have the honor to forward herewith a Certificate granted by Doctor Jowett, to the Acting Subordinate Judge, Mr. Kindersley, by which the Court of Sudr Udalut will perceive that he has been prevented by indisposition* from attending to his duties. I beg to enclose a Memo. showing the state of the file of his Court, up to the 13th Instant.

* The accident occurred on the morning of the 6th January 1857.

(True Copy)

(Signed) GEORGE ELLIS,
Register.

I Certify that J. R. Kindersley, Acting Subordinate Judge in the Zillah of Mangalore, has sustained a fall from his horse, inducing concussion of the brain, from which he is at present wholly incapacitated for duty, and that in my opinion he will probably not be fit to return to his duty for at least a month, and that even then a further respite might be necessary.
