With reference to the order of Government, date and subject marginally noted, I have the honor to forward an estimate of the cost of making up the following articles for clothing and equiping the Constables and Troopers of the mounted branch of the Police force for the years 1857 and 1858, for the sanction of Government, and in doing so, to inform you that most of the things are nearly made up and that the delay in forwarding the estimate of the cost has been occasioned by the great difficulty in procuring blue cloth of a proper quality for the tunics, on account of the small supply of that article in the market.
