Fort St. George, Judicial Consultation, 24th November 1857.

No. 13. Read the following letter from Lieutenant Colonel CUTHBERT DAVIDSON, Resident at Hyderabad; to the Chief Secretary to the Government of Fort St. George, dated 30th October 1857, No. 1769.

Civil Department.

SIR,

There has been so great a mortality amongst the prisoners at Nuldroog that the Commissioner of the assigned Districts is of opinion, that some arrangement should be made for their immediate removal to some more healthy locality.

2. He has been led to believe that the Military buildings at Jaulnah could be converted into an excellent Jail at a moderate cost, and he is anxious to be allowed to carry such an arrangement into effect.

3. I have therefore the honor to request you will have the kindness to inform me whether these buildings are likely to be again required by the Madras Government for the accommodation of Troops, or whether (in the event of Mr. Maltby's proposal meeting with the approval of the Government of India) they would be available for the purpose above described.

4. I am disposed to think that the preferable arrangement would be to distribute the prisoners amongst the neighbouring Zillah Jails in the Company's Territories, the assigned Districts being charged for the expenses of their safe custody, and for their maintenance, &c., and I shall feel much obliged by your informing me whether there would be any objection on the part of the Government of Fort Saint George, to receiving prisoners from the assigned Districts on the abovementioned terms into the Jail at Bellary, and for what number accommodation would be available.

(Signed) CUTH. DAVIDSON,
Resident.

No. 14. ORDER THEREON, No. 1503; dated 18th November 1857.

Ordered to be referred to the Inspector of Prisons, who will give his opinion on the proposed transfer of prisoners from the assigned Districts to the Bellary Jail, and also state for what number accommodation could be provided in that Jail, supposing the arrangement to be unobjectionable.

(Signed) T. PYCROFT,

It is to be regretted that in consequence
of the great mortality
which has taken place amongst
the natives, the missionaries
of the American Society
are of opinion that
about one-fourth of
the number of their
missionaries and
natives will be
absent in order of
death.

With an order.
