No. 8. Read the following letter from Colonel J. C. BOULDERSON, Commissioner of Police; to T. PYCROFT, Esq., Chief Secretary to Government, Fort St. George, dated 14th November 1857, No. 153.

SIR,

1. With reference to the order of Government, date and subject as per margin; I have the honor to forward an estimate of the cost of the Clothing which the members of the Police Force are entitled to for the year 1858.

Dated 21st April 1856, No 402.

4. "In para. 18. Mr. Elliot refers to the necessity for Clothing the Police Force at Madras, as now done both at Calcutta and Bombay. The men should be supplied yearly with 1 Turband, 2 Jackets and 2 pairs of Trowsers, with Belts and Sashes once in two years and a Cumbly once in three years, a small skull cap with sides to protect the ears for night duty should also be given. In this also the Governor in Council quite concurs, and he would therefore wish to have from Mr. Elliot a statement showing the description and quantity of clothing to be issued annually, biennially and triennially, both to the Force as it now is and as it will be on the desired augmentation being made, with some estimate of expence."

2. It is necessary to observe that the cost of some of the articles of Clothing in the estimate now submitted, is a trifle higher than it was in the estimate sent in last year, and it is occasioned by the increased price of the materials in the market, and the cost of workmanship also.

3. You will observe that 177 pairs of Sandals are wanted to complete the required number; the fact is 420 pairs, ordered for last year, for the Preventive portion of the force, have only just been received from Hoonsoor, and 114 pairs are yet to be delivered by the Commissariat Officer at that place. I purpose therefore to issue those Sandals on the 1st of January next year, for the year 1858, and therefore, I have indented only for Sandals for the year 1858, for the following Detectives.

11	Duffadars.
24	Naigues.
120	Talliars.
22	Hurcarrahs.
Total...	177
