SIR,

In further continuation of my letter of the 13th Instant, No. 1414, on the subject of the recent attack by Rohillas on the village of Juggiapett, I have the honor to report for the information of the Right Honorable the Governor in Council, that I am using every endeavour to cause the apprehension of the offenders, and have called upon the Nizam's Government to dismiss the Talookdar of Cummumett unless he can at once produce the leaders of the gang, as it is evident that he (the Talookdar) failed in his duty in not giving any notice of the attack, even if he did not connive at the intentions of the Rohillas with which it is hardly possible, but that he must have been acquainted.

2. I am moreover prepared to demand full reparation and compensation from the Nizam's Government for the property stolen, if it is not recovered, but I would at the same time beg to bring under the consideration of the Government, that the fact of so large a place with a Government Treasury being left without a suitable guard so immediately on the Nizam's frontier would almost appear to provoke an attack from the marauding Rohillas residing within the Nizam's Territories.

(Signed) CUTH. DAVIDSON,
Resident.

No. 26. ORDER THEREON, No. 1560; dated 27th November 1857.

Ordered to be communicated to the Acting Magistrate of Masulipatam, who will immediately furnish a full report of the attack made by the Rohillas on the village of Juggiapett, and of the measures adopted by him for the protection of the frontier of his District.

Chief Secretury.

It has not been for want of pre-caution - that so far as Govt is concerned - that such cases occur - nor for all the Magistrates in the frontier districts - can have made more convicts to secure their frontiers - but I fear that notwithstanding any little has been done -

The troops are so few. that I do

- doubt - if more could be spared - Bangalore - it has been lately stripped - to draw detachments - to get an organized police - this is wish to found impracticable

If when the full number of Mysore Horse - can be mustered in Mysore is available I think it will be advisable to locate a party on the Masulipatam frontier - there will probably be a post at Cummum & this will be in communication with the Guntur party

I think too Mr Ellis should be asked to state what he has been about &c
