Judicial.

No. 2012.

Extract from the Minutes of Consultation under date the 27th October 1857.

Read the following letter from the Chief Engineer.

Submitting correspondence received from the District Engineer Nellore, bringing to notice that Captain Ritherdon Executive Engineer in the District, by mistake constructed one, and commenced another Police Tannah, and requesting sanction for Rupees 220 for the same, also recommends for entry in the Budget of 1858-59 the remainder of the estimate for constructing Tannahs at Nellore viz, Rupees 190. (Here enter 7th October 1857, No. 4285.)

Under the circumstances represented by the Chief Engineer, the Government accord sanction to Rupees (220) two hundred and twenty, being the cost of a Police Tannah constructed anew, through mistake, at Stonehousepettah of Nellore, by Captain Ritherdon, Executive Engineer in that District. The mistake in question appears to have been an extraordinary one.

2. In accordance with the recommendation of Colonel Faber, the Right Honorable the Governor in Council is pleased to direct that the remainder of the estimate for the erection of Tannahs in Nellore, amounting to Rupees (190) one hundred and ninety, be entered in the Budget of 1858-59.

3. The Chief Engineer will be requested to state whether he has fixed on any improved plan for Tannahs providing for offensive and defensive operations being carried on by Peons stationed in them, during any outbreak.
