No. 19. Read the following letter from the Honorable Company's Solicitor ; to the Chief Secretary to Government, dated 30th November 1857, No. 696.

SIR,

Minutes Consultation, dated
28th July 1857, No. 902,
Judicial Department.

With reference to the Extract from Minutes of Consultation noted in the margin, I have the honor to report, for the information of Government, that being of opinion, after perusal of Title Deeds, and communicating personally with Paupah Ummall and others, that she (the widow of Narrain Maistry) could give a good title to, and a valid and effectual conveyance of the house and premises in Washerman's Pettah, which it was proposed to purchase, partly as a site for a new Police Tannah, and partly for the purpose of widening and improving the public road, I prepared a formal conveyance of such premises from Paupah Ummall to the Honorable Company, that this conveyance has been duly executed by Paupah Ummall ; and that (as the Commissioner of Police has informed me) the purchase money, Rupees 512-7-11, has been duly paid to Paupah Ummall, and possession of the premises taken on behalf of Government.

I considered that the more advisable course was for Government on behalf of the Honorable Company, to purchase and take a conveyance of *the whole* of the premises, and then convey to the Municipal Commissioners such portion of them as were not required for the proposed Police Tannah, for such sum, by way of purchase money as had been or might be agreed upon. This course I have accordingly pursued, and by the conveyance which Paupah Ummall has executed, *the whole* of the premises are now vested in the Honorable Company.

I herewith forward the conveyance above noted, and beg to request that it may be sealed in the usual manner on behalf of the Honorable Company, and that it, together with the Title Deeds relating to the premises (particularised at foot and herewith also sent) may then be deposited amongst the Records of Government.

I will submit at an early date, a conveyance from the Honorable Company to the Municipal Commissioners, of that portion of the premises which is to be transferred to them.

(Signed) J. R. BOYSON,
Honorable Company's Solicitor.
