Fort St. George, Judicial Consultation, 15th December 1857.

No. 38. Read the following Extract from the Minutes of Consultation in the Military Department, dated 1st December 1857, No. 4287.

Read letter from the Quarter Master General of the Army, 28th November 1857, No. 539; to the Secretary to Government, Military Department.

In returning papers on the subject of the state of affairs at Nellore, in regard to the Sepoys of the Detachment of Veterans there stationed, and the inhabitants of the Town, I am instructed by the Commander-in-Chief to say, that it does not appear to His Excellency, that it is necessary to take any step in the matter. The detention of the A. Troop Horse Artillery, would be very ill-advised, His Excellency considers, and it appears to him quite uncalled for, neither does His Excellency think it advisable that the Detachment of Veterans should be relieved. Sir P. Grant observes that both the Magistrate of Nellore and the Officer Commanding the Detachment, seem to be unnecessarily alarmed.

Communicated to Judicial Department.

(True Extract and Copy.)
