Fort St. George, Judicial Consultation, 8th January 1858.

No. 24. Read the following letter from C. F. CHAMIER, Esq., Acting Register to the Court of Sudr Udalut; to T. PYCROFT, Esq., Chief Secretary to Government, dated 23rd December 1857, No. 118.

SIR,

With reference to Extract from the Minutes of Consultation, under date the 3rd Instant, requiring the Sudr Udalut to issue instructions to the Principal Sudr Ameen of Ootacamund on the subject of the Government Pleader's letter, quoted therein, the Judges direct me to state that conclusive opinions have been given by that Officer on several points, which may possibly come before them in appeal, or in other ways, in the regular course of their duties; and that the Judges are unwilling to adopt a course which would be equivalent to an extra judicial ruling on matters which may come judicially under their consideration.

(Signed) C. F. CHAMIER,
Acting Register.

No. 25. ORDER THEREON, No. 1685; dated 30th December 1857.

The Government recognize the validity of the objections urged by the Judges of the Sudr Adawlut to their communicating with the Principal Sudr Ameen of Ootacamund on the opinion given by the Government Pleader regarding the suit brought against Lieutenant Parsons.

Mr. Dale's letter, has, it is observed, been already communicated to the Military Department. It may be intimated to Lieutenant Parsons through that channel that it is open to him to decline attendance before the Principal Sudr Ameen, or to demur to his jurisdiction in the case altogether on the grounds assigned by the Government Pleader in paras. 3 and 4 of his opinion.

(Signed) T. PYCROFT,
Chief Secretary.

Memorandum

It seems to me that the objection
taken by Mr. Sadr Adawlah is well
founded - and in that case the
appeal to me to be his counsel, open
1. L. Parsons may demand to the
jurisdiction of the Court at Ottawa,
on the ground given in para 4 of
Dale's letter - The objection would in the
mean time have been already in part
taken by L. Col Cherry - Letter 30 Oct

2. L. P. may appeal to the Lord of
the Summons - or against the

of the P. S. Roman of his own order
his decision to the jurisdiction
The question then will be
consequently before
the S. R. & be judicially
settled.

The objection of the S. R.
is in my opinion a fair one.
Report can do no more than
communicate what has been
done to the S. R. & the
