No. 23. From T. PYCROFT, Esq., Chief Secretary to the Government of Fort St. George; to the Secretary to the Government of India, dated 14th February 1857, No. 192.

SIR,

1. I am directed by the Right Honorable the Governor in Council, to represent that on proceeding, under the sanction given in the Resolution of the Government of India, dated 16th May 1856, and confirmed by the late Despatch from the Honorable the Court of Directors, to organize the new Police Establishment for the Town of Madras, and for carrying out Act XIII of 1856, the Commissioner of Police has brought to notice a serious omission on the part of his predecessor, the late Chief Magistrate and Superintendent of Police, in the preparation of his Statements of revised Establishment, from which was compiled that submitted to the Supreme Government, with my letter of the 29th March 1856, No. 324. He has wholly omitted seven Jemadars and eight Conicopolies belonging to the old Force whom it is evident from his reports that he intended to retain under the new system, and who are stated by the present Commissioner to be indispensable to its efficient working. Colonel Boulderson represents that there is a Jemadar attached to each Division on a salary of Rupees 31 per mensem, and in addition he draws 4 Rupees per mensem for the feed of a Pony, and as to the Conicopolies, one has been employed for years and years past under each District Jemadar, and the services of that grade cannot be dispensed with. Their duty is to keep a Registry of all stolen property, and take charge of all recovered, until the Committing Magistrate orders it to be otherwise disposed of, also to keep the Diary and enter therein daily all the Police

Judicial Despatch.
To Government of India, Judicial Department, dated 10th December 1856, No. 51.

7 Jemadars, at 31 Rupees each	Rs. 217
8 Conicopolies, at 8 Rupees each	,, 64
Total Rs.	281

Cases reported and all circumstances which occur in their respective Division, to attend at the Commissioner's Office for orders *daily*, to communicate the same to the Tannadars of the Division, and to accompany the Jemadars on their rounds every night.

2. The mistake, as the Government learn from Colonel Boulderson, was that of a Clerk in the Chief Magistrate's Office, who in drawing up the comparative Statement, omitted to carry over these two items to the list of the new Establishment, under the impression apparently that as these servants had always formed part of the Madras Police, and it was not intended either to increase or diminish their number, their exhibition among the new Establishment was unnecessary.

3. In his letter of the 22nd March 1856, paras: 8 and 9, Mr. E. F. Elliot, had recommended that an allowance for Forage should be made to the Inspectors, Constables and Darogahs, although he omitted to include any charge on that account in his Statement. It seems evident from what has been represented by Mr. Elliot and by the present Commissioner that these men cannot efficiently perform their duties unless they have horses or ponies, and that their pay is insufficient for this purpose. I am desired therefore to solicit sanction for the Forage allowance applied for by Colonel Boulderson, for all three classes of Officers and also for the Jemadars, who have hitherto drawn it at an aggregate monthly charge of Rupees 322.

11 Inspectors at 10 Rupees each	Rs.	110
14 Constables at 10 Rs. „	„	140
7 Jemadars at 4 Rs. „	„	28
11 Darogahs at 4 Rs. „	„	44
Total Rs.		322

4. The Commissioner has also recommended a monthly disbursement of Rupees 7 each for providing Quarters for the Inspectors and Constables until the public buildings proposed for their accommodation are ready, and I am desired to solicit information whether Quarters are provided in Calcutta for these classes of Officers, or an allowance granted to them in lieu.

5. Much as this Government regret to be obliged again to trouble the Government of India on the subject and to ask for increase of expenditure, they deem it nevertheless incumbent upon them to make the application rather than run the risk of failure in carrying out the provisions of the new Act with an inadequate Establishment.

6. The Governor in Council observes it has been remarked by the Honorable Court in their late Despatch, that with a larger population to control and more extensive area, the Madras Police, even when revised, will be both in number and cost below that of Calcutta and Bombay, and he submits that it will still be below them even when the additions now solicited are made to it.

Police of Calcutta, *exclusive* of Office Establishment and River Police, monthly cost	Rs.	20,297	0	0
Police of Bombay, *exclusive* of Office Establishment	„	17,814	0	0
Police of Madras, *inclusive* of Office Establishment as now sanctioned by the Honorable Court	„	15,505	12	0
Ditto with the additions now proposed.	„	16,034	12	0

7. Colonel Boulderson has also proposed a graduated scale of salaries for Inspectors varying from 70 to 150 Rupees as being much more likely to "produce energy and exertion and to act as an incentive also to good conduct than an equal rate of payment." I am desired to recommend this scale, being an adjustment attended with no increase of expense.

8. A revised Statement in the prescribed form exhibiting all the alterations and additions‡ to the Police Establishment is herewith forwarded for submission to the Government of India.

Sir,

W. E. M

Judicial Despatch to Govt. of India Jud.l Dept. of 10th Dec. 1856 No. 51

1. I am directed by the Right Honorable the Governor in Council to represent that on proceeding, under the sanction given in the Resolution of the Govt. of India dated 16th May 1856 and confirmed by the late Despatch from the Hon: the Court of Directors, to organize the new Police Establishment for the Town of Madras and for carrying out Act XIII of 1856, the Commissioner of Police has brought to notice a serious omission on the part of his predecessor the late Chief Magistrate and Supt. of Police in the preparation of his Statements of revised Establishment, from

which

7 Jemadars at 31 Rs each – Rs 217
8 Conicopolies at 8 Rs – " ——— 64
Total Rs 281

which was compiled that submitted to the Supreme Government with my letter of the 29th March 1856 No. 324. He has wholly omitted seven Jemadars & eight Conicopolies belonging to the old Force whom it is evident from his reports that he intended to retain under the new system – and who are stated by the present Commissioner to be indispensable to its efficient working. Colonel Boulderson represents that there is a Jemadar attached to each Division on a salary of Rs 31 per mensem, and in addition he draws 4 Rupees per mensem for the feed of a Pony – and as to the Conicopolies, one has been employed for years and years past under each District Jemadar, and the services of that grade cannot be dispensed with. Their duty is to keep a Registry of all stolen property, and take charge of all recovered until the Committing Magistrate orders it to be otherwise disposed of – also to keep the Diary and enter therein daily all the Police Cases reported and all circumstances which occur in their respective Division – to attend at the Commissioner's Office for orders daily, to communicate the same to the Jemadars of the Division, and to accompany the Jemadars in their rounds every night.

2. The mistake, as the Govt. learn from Colonel Boulderson, was that of a Clerk in the Chief Magistrate's Office who in drawing up the Comparative Statement omitted to carry over these two items to the list of the new Establishment – under the impression apparently that as these Servants had always formed part of the Madras Police, and it was not intended either to increase or diminish their number, their exhibition among the new Establishment was unnecessary.

3. In his letter of the 22nd March 1856 paras 8 and 9, Mr. E. F. Elliot had recommended that an allowance for Forage should be made to the Inspectors, Constables and Darogahs – although he

1
13

be omitted to include any charge on that account in his Statement.

It seems evident from what has been represented by Mr. Elliot and by the present Commissioner that these men cannot efficiently perform their duties unless they have horses or ponies, and that their pay is insufficient for this purpose. I am desired therefore to solicit sanction for the Forage allowance applied for by Colonel Boulderson for all three classes of Officers and also for the Jemadars - who have hitherto drawn it - at an aggregate monthly charge of Rupees 322.

11 Inspectors	at 10 Rs each	Rs 110
14 Constables	10 Rs "	140
7 Jemadars	4 Rs "	28
11 Darogahs	4 Rs "	44
		Total Rs 322

4. The Commissioner has also recommended a monthly disbursement of Rs 5 each for providing Quarters for the Inspectors and Constables until the public buildings proposed for their accommodation are ready and I am desired to solicit information whether Quarters are provided in Calcutta for these classes of Officers, or an allowance granted to them in lieu.

5. Much as this Govt. regret to be obliged again to trouble the Govt. of India on the subject and to ask for increase of expenditure, they deem it nevertheless incumbent upon them to make the application rather than run the risk of failure in carrying out the provisions of the new Act with an inadequate Establishment.

6. The Governor in Council we observed it has been remarked by the your Honorable Court in their late Despatch that with a larger population to control and more extensive area the Madras Police, even when revised, will be both in number and cost below that of Calcutta and Bombay and he submits that it will still be below them even when the additions now solicited are made to it.

Police of Calcutta exclusive of Office Estabt. & River Police
Monthly cost ——— Rs. 20,297-
Police of Bombay -
exclusive of Office Estabt. — 17,814-
Police of Madras -
inclusive of Office Estabt.
as now sanctioned by the Hon. ble Court ——— 15,505-12-
Ditto - with the additions now proposed ——— 16,034-12-

7. Colonel Boulderson has also proposed a graduated scale of salaries for Inspectors varying from

from 70 to 150 Rupees as being much more likely to "produce "energy and exertion and to act "as an incentive also to good "conduct than an equal rate "of payment." I am desired to recommend this scale, being an adjustment attended with no increase of expense.

8. A revised Statement in the prescribed form exhibiting all the alterations and * additions to the Police Establishment is herewith forwarded for submission to the Government of India.

I have &ca

* 7 Jemadars at 31 Rs. each	Rs. 217 "
