Fort St. George, Judicial Consultation, 17th February 1857.

No. 25. Read the following Extract from the Minutes of Consultation in the Public Works Department, dated 5th February 1857, No. 264.

The Government understand that the services of the Company of Sappers and Miners detached for employment in Ganjam, pursuant to the orders conveyed in P. W., Minutes Consultation, dated 4th August 1856, No. 1341. Extract Minutes Consultation, Judicial Department, dated 24th July 1856, No. 790, are still at the disposal of the Collector and Agent, but the executive duties of the District having been transferred to the Civil Engineer, there appears to be no reason why any exception should be made in regard to the Sapper Corps. The Right Honorable the Governor in Council directs therefore that the Sappers be at once placed under the orders of the Engineer, who will detach them for employment from time to time as he thinks proper.

2. Ordered to be communicated to the Military and Judicial Departments.
