Fort St. George, Judicial Consultation, 24th February 1857.

No. 5. Read the following letter from C. J. SHUBRICK, Esq., Magistrate of Chingleput; to T. PYCROFT, Esq., Chief Secretary to Government, dated 3rd February 1857.

SIR,

1. I have had the honor of receiving Extract from Minutes of Consultation, No. 36, of the 8th Ultimo, relative to the six Tanah Stations proposed to be erected in the Sydapet and Chingleput Talooks in this District.

2. Of the three Tanah Stations proposed to be established in Sydapet, one is intended to be built where the Southern Coast road meets the Guindy road near Mr. W. Arbuthnot's house, and at the corner of Sir Henry Montgomery's Park, several roads meet at that spot, and it is desirable a Tanah Station should be built for the protection of the Peon from the inclemency of the weather, and to allow him a place to lock up for the night any person who may be charged or brought before him. Another at the Marmalong Bridge where only a temporary shed now exists, and a third on the new road from St. Thomas' Mount to Sydapet where, on its completion, a great deal of traffic may be expected. In Chingleput, one of the Tanahs is proposed to be built in the Town of Chingleput, and a second in Nuttum, a Suburb at the North West corner of the Fort, and a third at Guntoor, another Suburb on the Southern Trunk Road leading to the Palar, where the District Moonsiff of Carangooly has recently built a Choultry for the use of Travelers, and where petty thefts are reported to have been frequently committed. There are no Tanahs at present at any of these places and it seems desirable that they should be established as a protection and assistance to the Police in the execution of their night duties, and when the weather is inclement; without them they have no where to lodge, and bad weather would always be urged as an excuse for absence from duty.

3. I beg to recommend their erection as necessary to an increasing population and traffic, and only regret the smallness of the Police Establishment prevents my allotting more than one Peon to each. A Taliar or two will however be generally available as additional aid.

(Signed) C. J. SHUBRICK,
Magistrate.
