Cabcut,

Sir,

With reference to Minutes of Consultation annexed, I have the honor to request, that you will obtain the sanction of Government, for permission for me to be absent from my duties on 30 days privilege leave after the adjournment of the Court of Enquiry from date of quitting my duties.

As I only require to proceed to the Neilgherry Hills, my presence if again required before the expiration of the leave could be almost as readily available, as if I remained here.

Sir,

With reference to your letter dated 25th Instant I would venture to suggest that the matter of your leave having been disposed of by the Government under date the 18th. November 1856, I do not think it will be desirable to press the matter further till the Court of Enquiry has finally decided on the question referred to it.

If on further consideration you still desire the application to be forwarded I will do so.

Sir,

P. 4074.

With reference to your letter of the 22d. Instant, I have the honor to represent that as obtaining immediate leave is a matter to me of much necessity, caused by the recent death of Mrs Haly's mother, which makes a personal interview between myself and my wife, requisite for the settlement of some family affairs. I have again to solicit that my application for 30 days privilege leave from date of quitting my duties may be submitted to Government.
