JUDICIAL DEPARTMENT.

No. 24.

Extract from the Minutes of Consultation under date the 6th January 1857.

Read the following letter from the Acting Magistrate of Tanjore.

Wishing to be informed whether Sepoys attached to the
Tahsil Coudherry can be sent out in a case of emer-
gency when their services are required by the Head
of Police. } (Here enter 6th December 1856, No. 182.)

The Right Honorable the Governor in Council observes that if the Sepoys to whom the above inquiry applies are regular Sepoys either of the Effective or of the Invalid Establishment, those when on guard over a Treasury certainly should not leave it unless under orders from their European Officer.

2. The Pensioned Sepoys on the other hand, employed in Tanjore, on Police duties, are, it is understood, mere ordinary Peons, and their services may be made available in the same manner and to the same extent as those of the other District Peons.

No 53 Recd. No 182 Tanjore

Vellum 6th December 1856

From
J. H. Cherry Esquire
Magistrate of Tanjore

To
J. Pyeroff Esquire
Chief Secy. to Government
Fort Saint George.

Sir,
1. It has been the practice
hitherto, that a certain number
of pensioned Sepoys are placed
in each of the Talook stations,
with the exception of the 4. Talook.

Managers noted in the margin, where effective
Puthuettan.
Jettipandy men varying from 6 to 9 in number
Hidra loid.
are sent to guard the Treasury.

2. On the 4th October 1854.
Mr. Forbes the late Magistrate

promulgated a Circular to all Police Officers, to the effect, that when a case of Gang Robbery takes place in the Town, that the Sepoys employed at the Talook Catchery are to render assistance in conjunction with, and under the orders of, the Head of Police in order to repel such attacks.

On a recent occasion when the Head of Police of Managoroddy required the service of the effective Sepoys attached to his Treasury, they refused to come out unless so ordered by their Commanding Officer, whose head quarters were at Kigapa. 30 miles off.

The Sepoys I may remark

are really detached for the guard of the Talook Treasury, and I think their leaving it for another part of the Town at such a time is open to objection.

I am also in doubt as to whether it is right to put in the hands of the Tahsildar the power of calling out the Sepoys (effective or invalid) detached for Treasury guard, whenever he thinks that the persons he has with him are insufficient, and which, with the knowledge of the general timidity of the native character, will be nearly always the case. I have the honor therefore to submit the subject for the consideration & orders of Government.

I have the honor to be
