Fort St. George, Judicial Consultation, 3rd March 1857.

No. 34. Read the following letter from H. D. E. DALRYMPLE, Esq., Magistrate of Police; to T. PYCROFT, Esq., Chief Secretary to Government, dated 23rd February 1857, No. 1.

SIR,

With reference to the Notification of Government, under date the 13th Instant, directing that the Vepery Police Court be opened on Tuesday the 3rd Proximo, I have the honor to request that you will be pleased to obtain the sanction of Government for the Indent of Stationery herewith submitted. I beg to state that I have regulated the quantity applied for, by that used at the Town Police Court, a moiety of which only I have included in the Indent, besides the Paper required for the Legal Forms; and for the printing of which, at the Gazette Press, I would also solicit the permission of Government.

An Office Seal would likewise be required, as well as a Clock or Time-Piece, the former having been supplied by the Mint Master to the other Police Offices, and to whom I have, in anticipation of the permission of Government, applied. The latter, if authorized, I shall purchase and charge in the Contingent Bill.

It will also be necessary to supply the new Court with a copy of all the Acts of the Legislative Council; and if bound Volumes could be furnished, it will be particularly desirable.

A copy also of the Act of Parliament, namely, 9th, George the 4th, Chapter 74, is necessary, as well as a late edition of "Burn's Justices of the Peace," the Fort St. George Gazette as issued bi-weekly; and a copy of the Almanac for the current year, and the Army List.

I beg to take this opportunity of soliciting the instructions of Government as to the disposal of the fines levied at the new Court. It has heretofore been the practice to remit all fines recovered at the Town Police, to the General Police Office, with a monthly statement, from whence the money was remitted to the General Treasury, this course might be adopted in the new Court also, substituting the Office of the Commissioner of Police, there being no General Police at present.

(Signed) H. D. E. DALRYMPLE,
Magistrate of Police.

No. 35. ORDER THEREON, No. 253; dated 3rd March 1857.

1. The Government sanction the Indent submitted with the foregoing letter for Stationery for the use of the Vepery Police Court, and authorize the printing of the Legal Forms referred to at the Gazette Press.

2. They also sanction the purchase of a Clock at a cost not exceeding Rupees (100) one hundred, to be charged for in a Contingent Bill, and approve of Mr. Dalrymple having applied to the Mint Master for an Office Seal.

3. Copies of "the Law relating to India" containing Act 9, George IV, Chapter 74, of Clarke's Edition of the Madras Regulations and Acts reaching to 1847 and of Williams' continuation of it to 1855 with the Acts for 1856, will be furnished to Mr. Dalrymple as requested, as also a copy of the future issues of the Fort St. George Gazette; and, as there are no copies of the other books and periodicals applied for in store available, the Government authorize him to purchase them elsewhere and to include their cost in a Contingent Bill.

4. The Government also approve Mr. Dalrymple's proposal to remit to the Office of the Commissioner of Police the fines that may be recovered at the Vepery Police Court, with a monthly statement.

(Signed) T. PYCROFT,
Chief Secretary.
