In the first of the letters recorded above, the Acting Collector applies for the additional Establishment noted in the margin, for his Assistant, Capt. Campbell, to enable him to carry out the works in the Maramut Department which have been committed to him; the expense to be borne by the Purlah Kemedi Estate, which is in charge of the Court of Wards, in consequence of the imbecility of the Zemindar.

Ex. M. C. of Govt. 25th Nov. 1854.
In Cons. 11th Dec. 1854, No. 1534, R. D.

2. Two important roads are now under construction from Purlah Kemedi to the Coast at expense of the Estate, under the sanction of the Commissioner, dated 4th April 1854, the one to Calingapatam, on an estimate of Rupees 46,806, As. 10, Pice 3, and the other to Poondy on one of Rupees 39,405-1-3, and other lines towards the interior are in contemplation. The superintendence of the work under execution, and the Surveys and Estimates for the further roads proposed are, it seems, entrusted to Captain Campbell, of whose appointment to be Assistant to the Agent to the Governor, the late Commissioner was apprized by Mr. Knox's letter of the 1st April 1856.

3. A Maramut Establishment, as per margin, was sanctioned by the Commissioner, Mr. W. Elliot, in his capacity of a Court of Wards, on the 18th April 1854; § but all the other servants at the disposal of the Assistant to the Agent, appear to have been sanctioned by Government direct. The Court of Wards have no official information even of the employment of Capt. Campbell in the Zemindary, except from applications which have been made for sanction, to supply him with furniture and instruments at the expense of the estate. It would seem probable, from an Extract Minutes Consultation, dated 10th Jan. 1856, No. 28,* para. 8, furnished by Mr. Knox to the late Commissioner,

* From Acting Collector of Ganjam, 14th, In N. C. Dy. Cons. 22nd May 1856.

in support of his application for furniture, that the whole staff pay of that Officer, is to be made a charge on the estate; but the Court of Wards have no further information on the subject than is contained in that paper.

4. As the Court will experience difficulty in disposing of applications for expenditure from the funds of this estate, if they are not kept informed of charges thereon, sanctioned from time to time by superior authority, it is resolved to submit a copy of these Proceedings to Government, and to request that any orders which may have been passed by Government, relative to the employment of Captain Campbell in Kemedi, the duties to be entrusted to him therein, and the Establishment to be assigned to him; as also regarding the expenses to be charged to the estate in connexion with that Officer, or to a Sibundy Corps which appears to have been entertained, may be communicated for their information. They also resolve to suggest that copies of any similar orders passed in future, may be communicated to them at the time.

Agreeably to the recommendation of the Court of Wards, the Right Honorable the Governor in Council sanctions the additional Establishment applied for by the Acting Collector of Ganjam, for his Assistant, Captain Campbell, to enable him to carry out certain Maramut Works in the Purlah Kemedi Estate, at a monthly cost from the funds of that Estate, not exceeding Rupees two hundred and eighty-six.

2. Resolved that paras. 1 to 4 of the above Proceedings, in which the Court of Wards point out, that certain orders of Government, sanctioning charges from the funds of the Kemedi Estate have not been communicated to them, and explain the difficulty which they must in consequence find in disposing of applications for expenditure from the same source, be communicated to the Judicial Department, with a request that the orders therein referred to, as well as those that may be passed hereafter, bearing on the same subject, may be furnished to this Department, for communication to the Court.
