 + 10 of these to be sent to the Honble Court of Directors

1. The first part of the paper is devoted to a description of the general character of the country, and to a statement of the principal features of its topography. It is then shown that the country is divided into two main parts, the northern and the southern, by a range of mountains which runs from the north to the south.

2. The second part of the paper is devoted to a description of the principal features of the country, and to a statement of the principal features of its topography. It is then shown that the country is divided into two main parts, the northern and the southern, by a range of mountains which runs from the north to the south.

3. The third part of the paper is devoted to a description of the principal features of the country, and to a statement of the principal features of its topography. It is then shown that the country is divided into two main parts, the northern and the southern, by a range of mountains which runs from the north to the south.
