Fort St. George, Judicial Consultation, 24th March 1857.

No. 38. Read the following letter from Lieutenant Colonel H. COLBECK, Senior Magistrate of Police; to T. PYCROFT, Esq., Chief Secretary to Government, dated 11th March 1857, No. 9.

SIR,

I have the honor to ask that you will submit to the Right Honorable the Governor in Council, my request to be furnished with a Map shewing the Villages and Places within the jurisdiction of the Collector of Madras, and defining the limits of his Collectorate. A Map of this description is often required by the Magistrates, and particularly in cases connected with the Abkarree Department, and were each Police Court furnished with one, I feel sure it would be found very useful.

(Signed) H. COLBECK,

Senior Magistrate of Police.

No. 39. ORDER THEREON, No. 341; dated 21st March 1857.

Resolved that the Chief Engineer be requested to prepare in communication with the Collector of Madras and Honorable Company's Solicitor, a Map shewing the Villages and Places within the jurisdiction of the Collector of Madras and defining the limits of his Collectorate.

2. The Map should be on a large scale, and as it would be well to have several copies, the Chief Engineer will state whether it could not be lithographed, and if so, within what time the copies would be ready.

(Signed) T. PYCROFT,

Chief Secretary.

Exd. F. Cartledge.
