No. 19. Read the following Extract from the Minutes of Consultation in the Military Department, dated 13th March 1857, No. 839.

Read the following letter from Lieutenant Colonel F. A. REID, Quarter Master General of the Army; to Colonel C. A. BROWNE, Secretary to Government, Military Department, dated 12th March 1857, No. 88.

SIR,

I have the honor, by order of His Excellency the Commander-in-Chief, to forward for the information of Government, copy of a letter from the Officer Commanding Northern Division, reporting that, the Hill Tracts of Kimedy having been stated to be in a state of quiet for some time, he had ordered the Waranassee Detachment to be reduced to a Native Officer's party.

(Signed) F. A. REID,
Quarter Master General.

From Major General A. TULLOCH, Commanding Northern Division; to Lieutenant Colonel F. A. REID, Quarter Master General of the Army, dated 2nd March 1857, No. 69.

SIR,

I have the honor to acquaint you, for the information of His Excellency the Commander-in-Chief, that Mr. Knox reports that the Hill Tracts of Kimedy have been for some time quite quiet. The Sowrahs at Gybah have come back, and when Captain Campbell was lately up there surveying the pass, they were re-building their houses. Mr. Knox hears there is still an angry feeling in the neighbourhood of Pootoosinghy and Engerada near Collacotta, but there seems every reason to believe, that the Sowrahs have had so severe a lesson, that they will not venture to disturb the peace of the country.

I have therefore, with Mr. Knox's concurrence, ordered the Waranassee Detachment to be reduced to a Native Officer's party. The Wing at Kimedy will stand fast until the approach of the rains, when the Force, no doubt, will be reduced to its original strength of two Companies.

(Signed) A. TULLOCH, Major General,
Commanding Northern Division.
