Referring Honorable Court's Despatch on the subject of re- } (Here enter 30th March 1857, No. 191.)
muneration to the Administrator General.

No. 25. ORDER THEREON, No. 392; dated 2nd April 1857.

It is observed that the Honorable the Court of Directors will have learnt, from the Despatch of this Government dated 24th December, No. 42 of 1856, the arrangement that has been made for the remuneration of the Administrator General. The correspondence that has since transpired respecting this Officer will now be forwarded to them, from which it will be seen that the Government of India have permitted Mr. Teed to hold both the Offices of Administrator General and Master in Equity in the Supreme Court as a temporary measure and until the orders of the Honorable Court can be obtained on this point; as also that he has been called upon to take measures for effecting early reductions in his Office Establishment. The Government will bear in mind the wish of the Honorable Court respecting the union of some other appointment with that of Administrator General in order that the expense of the Office may be proportionally reduced, but they may point out to the Honorable Court that this arrangement does in point of fact at present exist. Mr. Teed holds the Offices both of Administrator General and of Master of the Supreme Court and in consequence of this union of Offices he performs the duties of the former at a rate of remuneration which though nominally Rupees 1,200 per mensem, is from the mode in which it is calculated really only Rupees 700. The arrangement will moreover as desired by the Honorable Court be open to revision on the expiration of two years from the date when it took effect.

1st January 1856.
Copy of the Extract from the Court's Despatch and of these orders upon it will be communicated to the Administrator General and to the Auditors.

(Signed) T. PYCROFT,
Chief Secretary.
