Fort St. George, Judicial Consultation, 7th April 1857.

No. 35. Read the following Extract from the Minutes of Consultation in the Public Works Department, dated 24th March 1857, No. 536.

Read the following Extract from the Proceedings of the Acting Superintending Engineer, Northern Circle, in charge of the Central Office of Public Works.

Communicating for information and orders, a letter from the District Engineer of Cuddapah, regarding the destruction of several mud walls built to protect avenue trees on the road from Cuddapah to Nellore. (Here enter 27th February 1857, No. 10504.)

The Right Honorable the Governor in Council trusts that future cases of cattle trespass will be adequately dealt with under Section XV. of Act III. of 1857. He must however call upon the Collector of Cuddapah to explain why he did not answer Lieutenant Hemery's letter dated in November, regarding the destruction of the defences to the avenue trees on the road from Cuddapah to Nellore before he had been addressed three times on the subject.

2. Instructions will be issued from the Judicial Department for bringing the provisions of Act III. of 1857, into practical operation.
