SIR,

1. In obedience to the instructions contained in Extract from Minutes Consultation, No. 244, of the 27th Ultimo, directing me to report on the state of health of the State Prisoner Moozuffer Khan Bahadoor, in the fortress of Bellary, and whether any change of locality is recommended

by the Medical Officer in charge, I have the honor to submit copy of a letter* from the Officer Commanding the Garrison of Bellary, from which it would appear that the Prisoner is at present in good health, and it is also stated that he does not wish to be removed to another place of confinement.

2. The Prisoner, as the Government are aware, has before expressed a wish to be transferred elsewhere, but he is of a whimsical temperament, and sometimes appears not to be very sound in his mind.

Magistrate.

SIR,

In reply to your letter, No. and subject as per margin, I have the honor to forward an authenticated copy of the Garrison Surgeon's reply, to a letter from the Fort Adjutant, regarding the State Prisoner Moozuffer Khan's health. From the reports of the Officers on Guard and other sources, I find the Prisoner is in a good state of health, and I do not consider that any change of locality is necessary, nor does the Prisoner himself wish it.
