Fort St. George Judicial Consultation, 21st April 1857.

No. 44. Read the following letter from P. B. SMOLLETT, Esq., Agent to the Governor in Vizagapatam; to T. PYCROFT, Esq., Chief Secretary to Government, dated 8th April 1857, No. 24.

SIR,

Para: 1. In returning the accompanying Petition from certain individuals of Vizianagrum, who pray that the present Moonsiff, Mr. J. P. Thompson, be vested with the powers prescribed in Act XII of 1854, I have the honor to state for the information of the Right Honorable the Governor in Council, that in my opinion, this delegation of authority is not required, and would not work beneficially. Vizianagrum is the station of a resident Head of Police, and when there are Assistants, it forms the Head Quarter station of a Covenanted Officer. Mr. Thompson's services are fully occupied in his civil business.

2. There were in the last year, a considerable number of robberies from dwelling houses in the Vizianagrum town, few of the perpetrators in which were brought to justice principally from the inadequacy of the Police force to watch the town. This has been remedied by the Rajah of Vizianagrum, having placed a small body of organized watchmen at the service of the Head of Police. Since January, when this body was organized, crime has largely diminished, and property is as secure as in any other town.

(Signed) P. B. SMOLLETT,
Agent to the Governor.

No. 45. ORDER THEREON, No. 443; dated 18th April 1857.

Under the opinion expressed by the Agent, it does not seem necessary to confer the powers specified on the District Moonsiff of Vizianagrum.

(Signed) T. PYCROFT,
Chief Secretary.

No. 590-1857.

The Right Honourable
Governor in Council of
Fort St. George

I the undersigned most
respectfully beg leave to state that
the people of this district are suffering
much from thefts frequently committed
here and from people of bad character
waylaying others & assailing them
with sticks &c. and also committing
similar acts. The records of Police
of this district are proofs to
establish this circumstance.
Independent of this there being
no Assistant Magistrate at this
station, the community are suffering
great deal, because the people
are

are obliged to proceed to the
Palace in cases committed by the
Police. We therefore pray that the
destrict mooniff of Vizianagram
Mr. J. P. Thompson who is a just
and upright officer and who ad-
ministers justice to the people here
may be vested with criminal powers
under act XII of 1854.

Of the signed, some are merchants,
some are ship dealers, & some
other respectable persons and one
proprietor of a mill —
