No. 13. Read the following letter from J. ROHDE, Esq., Inspector of Prisons; to T. PYCROFT, Esq., Chief Secretary to Government, dated 18th April 1857, No. 138.

Sir,

Letter from Mr. Lewis, Resident Councillor, 10th March 1857.

I have now the honor to inform the Right Honorable the Governor in Council, that the Convicts who took the Small Pox in September last at Penang, were 3 men from Tellicherry, who had been vaccinated, they say, in childhood, they all bore marks of the cicatrix. Under these circumstances, the fact of their having been attacked implies no reflection on the Medical Officer in charge.

2. I have not my records to refer to former correspondence.

(Signed) J. ROHDE,
Inspector of Prisons.

No. 14. Order thereon, No. 527; dated 6th May 1857.

To be recorded.

(Signed) T. PYCROFT,
Chief Secretary.
