Fort St. George, Judicial Consultation, 19th May 1857.

No. 22. Read the following letter from C. PELLY, Esq., Magistrate of Bellary; to the Chief Secretary to Government, Judicial Department, dated 24th April 1857, No. 7.

SIR,

I have the honor to request the orders of Government for the establishment of Pounds, under Section III, Act III of 1857, in this District. It appears to me that it would be expedient to establish Pounds; 1st, at the village Choultry, or other place where the village business is ordinarily transacted, at every village in the District in which there is also a resident Curnum.

2nd. At the Ameen's Cutcherry at Ramandroog.

3rd. At the Choultries of the Cutwalls in the Military Bazars at Bellary. With respect to the Military Bazar, there may be some objection, as the Cutwall, who would be the Pound-keeper, is not subject to the orders of the Magistrate of the Zillah. But this difficulty might be overcome by allowing the Superintendent of Military Police to perform the duties within the Military Cantonments assigned by the Act to the District Police Officer.

I would request to be instructed whether it is the intention that enclosures to form Pounds should be made, and in what manner, and at whose cost. Or whether cattle should be merely kept tied up near the village Choultry during the period they are in Pound.

(Signed) C. PELLY,
Magistrate.
