No. 30. Read the following letter from the Honorable Company's Solicitor; to the Acting Chief Secretary to Government, dated 16th May 1857, No. 264.

Sir,

Letter from Acting Honorable Company's Solicitor, to Superintendent of Police, dated 30th September 1856, No. 417.
Letter from Superintendent of Police, to Government, dated 2nd October 1856.
Extract from Minutes of Consultation, dated 11th October 1856, No. 1103, Judicial Department.
Letter from Acting Honorable Company's Solicitor, to Government, dated 3rd January 1857, No. 9.

With reference to the papers noted in the margin, I have the honor to report, for the information of Government, that I have *finally* adjusted all accounts with S. Teagaroy Chetty in respect of the Land behind Messrs. Burghall and Co.'s Stables (lately purchased for the Honorable Company), by paying him the sum of 950 Rupees in reimbursement of sums paid by him to various persons, who had built houses and huts upon the land, to induce them to remove those buildings, and give up possession without the institution of actions of ejectment, or other legal proceedings.

From the result of my own enquiries, from vouchers produced to me by S. Teagaroy Chetty, and from information afforded me by the Commissioner of Police, I see good grounds for believing that S. Teagaroy Chetty, in fact, disbursed and is liable to pay sums of money amounting in the aggregate to *upwards* of 950 Rupees for the purposes in question.

(Signed) J. R. BOYSON,
Honorable Company's Solicitor.
