When the House of Correction was close to Her Majesty's Jail, the Cooly and Toty attached to that place were also employed at the latter, but since its removal to the Penitentiary, Her Majesty's Jail Hospital has been entirely without the services of these servants. The want of a Cooly is very much felt, and the Right Honorable the Governor in Council therefore solicits the sanction of the Government of India for the entertainment of one on the Jail establishment.	Favorable.
