

Extract from a letter from the Honorable the Court of Directors, dated
11th March, No 7 of 1857.

No. 264.

Letter from, in Judicial Department, dated
1st July 1856, No. 21.

Forward a Memorial from Mr. J. Spencer, a Bailiff of the Small Cause Court, praying for the grant of a Pension for his Services under the East India Company, in addition to that (1s. 10 $\frac{1}{2}$ d. per day) drawn by him as late Color Serjeant in the Queen's Service.

Letter from, in Judicial Department, dated
15th July 1856, No. 22.

Para: 61. Report the grant of compensation of Rupees 220 per month to Mr. F. Orme, for the loss of the emoluments of his Office as Examiner in Equity in the Supreme Court, in consequence of the passing of Act XVII of 1854.

Para: 62. Report having recommended to the Supreme Government that the sum of Rupees 8,275 might be paid to Mr. C. M. Teed, Master of the Supreme Court, as compensation for his losses for the last six years under Act II of 1850, which deprived him of the Fees for auditing the Accounts of the Ecclesiastical Registrar in respect of the Administration of the Estates of British Subjects dying intestate, and also that the sum of Rupees 1,545, being the moiety of his former average Receipts, may be paid to him, annually, from the 1st April 1856 so long as he remains in India and holds his Office of Master without any other Office of equal emolument and consideration.

13. Mr. Spencer is not entitled to Pension under the Rules, but adverting to the long period of his Service under your Government in the several capacities of Head Constable, Jailor, and, latterly, Bailiff of the Small Cause Court, we shall grant him a special Pension of Rupees 20 per month. We hope, however, that, in future, you will be more sparing in recommending Pensions beyond the Rules, which have been carefully considered and ought to embrace all cases deserving the liberality of your Government.

14. Confirmed, in accordance with our Despatch in this Department, to the Government of India, dated 6th June 1855, No. 48.

15. The proposition for the compensation of Mr. Teed, appears to be reasonable as far as regards the future, and we are prepared to confirm it, but we cannot allow compensation for the losses of past years of Fees to which duties were attached from which he was also exempted.

Extract from the Minutes of Consultation under date the 6th May 1857.

6. Communicated to the Judicial Department in which the subjects originated.
