JUDICIAL DEPARTMENT.

No. 78.

Extract from the Minutes Consultation under date the 19th January 1857.

Read the following Report from Major J. J. LOSH, Military Auditor General; to T. PYCROFT, Esq., Chief Secretary to Government, dated 10th January 1857, No. 1.

No. 122 of 15th December 1856.
The Acting Collector of Malabar forwards for the consideration of Government an application from Major Haly, Commandant M. P. Corps, that the extension of leave granted him in Fort St. George Gazette, 2nd June 1855, page 673, may be cancelled.

1. In returning the correspondence as per margin, referred for his report by order of Government of 24th Ultimo, the Military Auditor General has the honor to observe that Major Haly applied in April 1855 for 30 days privilege leave, which was sanctioned; a further extension was solicited until 1st July, which was also granted.

2. A clear outline of the whole circumstances connected with this leave being given in the Report of this Department B, 8th August 1855, it may be sufficient to revert to the fact that the whole period of leave of which Major Haly availed himself was comprised within the 6th May and 14th June, during which time his allowances were regulated under the Rules for Staff Officers absent from their appointments on general leave.

3. Major Haly now apparently desires that the additional leave applied for by him, which was instrumental in converting the privilege leave first obtained by him into general leave, should be cancelled, because it subjects him to the inconvenience of making a selection between the old and new Furlough Regulations.

4. Leave in Malabar is not susceptible of being cancelled.

5. Major Haly ought to have been fully aware at the time of making his application for additional leave (which additional leave, at least, he well knew came within the category of general leave) that as an Officer on the Staff he thereby came within the provisions of para: 2 of the new Furlough Regulations, at a time when it was generally understood that no selection whatever was allowed between old and new Regulations to Staff Officers proceeding on leave. It can hardly therefore be considered a hardship that, under recent orders, he should now be required to make an election.

Resolved that a copy of the foregoing Report of the Military Auditor General be furnished to the Acting Collector of Malabar, for communication to Major Haly, with reference to his letter of 15th December last, No. 122.
