

Fort St. George, Judicial Consultation, 9th June 1857.

No. 35. Read the following letter from GEORGE ELLIS, Esq., Register to the Court of Foujdaree Udalut; to E. MALTRY, Esq., Acting Chief Secretary to Government, dated 2nd June 1857, No. 27.

SIR,

1. Under the provisions of Act IV, of 1849, I am directed by the Judges of the Court of Foujdaree Udalut to forward, to be laid before the Right Honorable the Governor in Council, the accompanying copy of a report of Cases Nos. 61 and 62 on the file of the Principal Sudder Ameen of Nellore, in which the Prisoner was charged with slightly wounding his wife with a knife, and with attempt at suicide, but was acquitted by the Principal Sudder Ameen on the ground that he committed the offences while in an unsound state of mind.

2. As the Prisoner is represented by the Zillah Surgeon in the accompanying Deposition to have been perfectly calm and quiet during the period he was under medical treatment, and that he had no reason to suppose that his mind was unsound or in any way affected, the Judges see no necessity for his further confinement, and accordingly beg to recommend that he be released.

(Signed) GEORGE ELLIS,

Register.

Question. Look at the Prisoner, and state respecting the state of his mind?

Answer. The Prisoner was admitted into the Civil Dispensary about 8 months since with the throat severely cut, and from the nature of the wounds, I believe the injury to have been inflicted by himself, and which he has since confessed. He was unable to articulate for some time after admission, the wind pipe being divided. During the period he was under treatment, he was perfectly calm, quiet and respectful in his behaviour, attending to all instructions given to him, and I have never had any reason to suppose that his mind was unsound or in any way affected.
