With reference to Extract Minutes of Consultation, dated 26th May 1857, No. 622, the Inspector General of Ordnance and Magazines, has the honor to state that the sum allowed to Cavalry Officers on account of articles of petty contract is Rupees (2-12-9) two, Annas twelve, and Pice nine for each horse monthly, and out of this allowance all charges for gram pots, &c. are defrayed by the Officer, and as Major Haly's demand for boilers may be included under that head, the Inspector General suggests that a proportionate sum viz. Rupees (1½) one and a half as a petty contract allowance, be granted to that Officer for the number of Ponies maintained with the Police Corps and to meet all the demands now chargeable on the petty contract of Cavalry.
