1. The Government approve
the Plan submitted by the Inspector
of Prisons, for the new Jail to be
attached to the Principal Prison
at Botocourto, in which it is observed accom-
modation has been provided
for 86 prisoners. The District
Engineer will, as directed in S.
No. 6. 7th Feb last para 52, pre-
pare and submit the necessary
estimates for this building thro'
the Public Works Dept.

2. It is observed that although
the letter above recorded, has refer-
ence to previous correspondence,
the

the Inspector has quoted none of
the orders already passed nor made
any allusion to them. Dates and
references facilitate the despatch
of public business, and he will
therefore be careful in future
in every instance
to give the dates of earlier papers
on the same subject.

Fort St. George, Judicial Consultation, 23rd June 1857.

No. 43. Read the following letter from J. ROHDE, Esq., Inspector of Prisons; to E. MALTBY, Esq., Acting Chief Secretary to the Government of Fort St. George, dated 4th June 1857, No. 193.

SIR,

I have the honor to forward the plan I had prepared for a Jail to be attached to the Principal Sudr Ameen's office at Ootacamund. I have arranged the cells to suit any class of prisoners, and considering the mixture of classes within the jurisdiction and anticipated changes in the law, I think the plan not only the best, but the most economical in the end. The building, as shewn, is suited, with upper story, for 36 prisoners, but may be modified by omitting the upper range of cells and extending it in length for 20 or 24 or any other number of prisoners.

2. I do not contemplate ordinarily, keeping natives sentenced to more than 2 months' imprisonment at Ootacamund.

(Signed) J. ROHDE,
Inspector of Prisons.

No. 44. ORDER THEREON, No. 711; dated 23rd June 1857.

1. The Government approve the plan submitted by the Inspector of Prisons, for the new Jail to be attached to the Principal Sudr Ameen's Court at Ootacamund, in which it is observed accommodation has been provided for 36 prisoners. The District Engineer will, as directed in Extract Minutes Consultation, 7th February last, para: 52, prepare and submit the necessary estimates for this building through the Public Works Department.

2. It is observed, that although the letter above recorded, has reference to previous correspondence, the Inspector has quoted none of the orders already passed, nor made any allusion to them. Dates and references, facilitate the despatch of public business, and he will therefore be careful in future to give in every instance the dates of earlier papers on the same subject.
