Fort St. George, Judicial Consultation, 30th June 1857.

No. 5. Read the following letter from the Inspector General of Ordnance and Magazines; to the Chief Secretary to Government, dated 16th June 1857, No. 77.

SIR,

The Commissioner of Police having reported the receipt of certain articles of Saddlery, from the 3rd Light Cavalry, for the use of the mounted Police, I have the honor to solicit the sanction of Government, to my authorizing the Officer Commanding 3rd Light Cavalry, to re-place the articles thus supplied, by making up new Saddlery for his Corps, and submitting a contingent bill, and for adopting a similar course with other Cavalry Regiments, in the event of any of them contributing to equip the mounted Police.

2. The bill so received, will be collectively submitted for the sanction of Government, and I have to solicit instructions as to whether the amount thereof should not be debited in the Ordnance books to the Judicial Department. Under the present constitution of the Saddle Contract Fund, some definite arrangement of the above nature would appear necessary, and to avoid any confusion of accounts, I deem it advisable to seek early orders.

(Signed) G. BALFOUR, Lieut. Colonel,
Inspector General of Ordnance and Magazines.

No. 6. ORDER THEREON, No. 715; dated 24th June 1857.

1. In the above letter, the Inspector General of Ordnance and Magazines requests authority for directing the Officer Commanding the 3rd Light Cavalry, to re-place the articles supplied by him to the Commissioner of Police on account of the mounted Police, by making up new saddlery for his own Corps, and charging the cost in a contingent bill. He further suggests that, in the event of other Cavalry Regiments also contributing towards the equipment of the mounted Police, the same course should be pursued, and the amount debited to the Judicial Department, in the books of the Ordnance Department.

2. The Right Honorable the Governor in Council considers it preferable, if the Inspector General see no objection to the arrangement, that the Commissioner of Police should be applied to direct for the payment of the articles actually supplied him, and that that Officer should submit a contingent bill for their value for the sanction of Government.

(Signed) E. MALTBY,
Acting Chief Secretary.
