Not to be folded or roughly handled

Fort St. George, Judicial Consultation, 30th June 1857.

No. 18. Read the following letter from J. ROHDE, Esq., Inspector of Prisons; to E. MALTBY, Esq., Acting Chief Secretary to the Government of Fort Saint George, dated 13th June 1857, No. 213.

SIR,

Sanctioned on the understanding that the higher allowance shall be given in all cases in which an European Jailor is found to be absolutely indispensable.
By order of the Right Honorable the Governor General in Council.

(Signed) C. HUGH LUSHINGTON,
Secretary to Government of India.

Council Chamber, }
the 20th March 1857. }

In reference to the orders of the Supreme Government, sanctioning an allowance of 50 Rupees to European Jailors wherever it might be found necessary to employ them, I have the honor to request the orders of the Right Honorable the Governor in Council in regard to the meaning to be attached to this order. In

my application, I had purposely omitted to include the Jailors of the smaller Jails where I did not consider the employment of Europeans necessary, nor did I make provision for the keepers of the Prisons for lodging detached gangs, though I think it highly desirable that Europeans should, in some instances, be placed over such gangs by the department which employs them. I also omitted the European Jailor of the Principal Sudr Ameen's Jail at Ootacamund, his salary having been fixed at 25 Rupees, so late as the 4th September 1856, though I deem it essential that both there and at Cochin, the Jailor should be a European, acting also as Constable under orders of the Principal Sudr Ameen, (that is within the limits of the station.)

2. Under the orders, I have not felt justified in limiting the increased allowance to those for whom I applied for it, namely, qualified persons; pending instructions on the subject. I have also when consulted, stated that the increase was to be drawn from the 1st of May, that is from the 1st of the month on which I received it, though received and passed by this Government on the 22nd April.

(Signed) J. ROHDE,
Inspector of Prisons.

No. 19. ORDER THEREON, No. 722; dated 25th June 1857.

1. In the above letter, the Inspector of Prisons requests to be informed of the interpretation to be placed on the order of the Supreme Government authorizing the augmentation of the salaries of European Jailors to Rupees 50.

2. It appears to this Government that the Government of India meant to sanction the increased rate only for the Jails specified in the application, and on the services of qualified Europeans being obtained. When Europeans are not employed, or are only employed temporarily while other men with all the necessary qualifications are being sought for, a smaller salary than Rupees 50 must therefore be disbursed.

3. Referring to the concluding para. of the Inspector's letter, it is observed that increases to the pay of public servants commence from the date of the receipt of the order sanctioning them by the officer in charge of the establishment to which they belong. This course must be pursued in the present instance.

(Signed) E. MALTBY,
Acting Chief Secretary.

Judicial Department

No 722

Extract from the Minutes of Consultation
dated 25th June 1857.

Read the following letter from
the Inspector of Prisons.

(Here enter 15th June 57 No 213)

1. In the above letter the
Inspector of Prisons requests to be
informed of the interpretation to
be placed on the order of the
Supreme Government authorizing
the augmentation of the salaries
of European Sailors to Rs 50.

2. It appears to this Govt.
that the Govt. of India meant
to sanction the increased rate
for the facts
only ~~in such instances~~ ^{and on} ~~of those~~
specified in the application ~~on~~
the services of qualified European
~~to whom a European Sailors was~~
being obtained. When Europeans
~~are not absolutely necessary~~
peons are not employed, or
~~indispensable, and hence, if,~~
are only employed temporarily
~~on further consideration, the~~

Inspector

while other men with
all the necessary qualifi-
cations are being sought
for a smaller salary
than Rs 50 must ^{therefore} be
disbursed. -

Inspector of Prisons is of opinion
that, at any of the Sails mentioned
in that application, the services
of a European are not essentially
necessary, in that case the pay
of the Sailer must be fixed at
a less sum than Rs 50. The
increased rate of salary will
moreover be only granted to those
Sailers who are qualified for
their posts and not to all
present incumbents and so
circumstances, the object of
increase being to secure the
services of competent men.

3. Referring to the concluded
any part of the Inspector's letter
it is observed that increases to
the pay of public servants
~~employed~~, commence from the
date ~~onwards~~ of the
receipt of the order sanctioning
them by the officer in
charge of the establishment
to which they belong. This
course

course must be pursued in
the present instance.
