No. 9. Read the following letter from Colonel J. C. BOULDERSON, Commissioner of Police; to E. MALTBY, Esq., Acting Chief Secretary to Government, Fort St. George, dated 29th June 1857, No. 68.

SIR,

I have the honor to forward for submission to Government, a letter to my address, together with a nominal roll containing 177 names, from certain inhabitants of Madras, in which you will observe, they request me to obtain the sanction of Government, for their being formed into a Volunteer Rifle Corps, and as their object in coming forward with this request at the present time, seems to be governed by a most commendable desire on their part to afford all the assistance in their power, towards the preservation of the peace of this place, it is with much pleasure I now comply with their desire.

(Signed) J. C. BOULDERSON,
Commissioner of Police.

No. 10. *ORDER THEREON, No. 745; dated 1st July 1857.*

The Government appreciate highly the loyalty and devotion which have led to this offer, and request the Commissioner of Police to make known this feeling to the parties who have signed the address and inform them that their services are accepted. Instead however, of forming a separate Corps, the Right Honorable the Governor in Council is of opinion that the Volunteer Rifles might advantageously be blended with the Volunteer Militia Corps, now under formation and wish Colonel Boulderson to have this point taken into consideration.

(Signed) E. MALTBY,
Acting Chief Secretary.
