Fort St. George, Judicial Consultation, 7th July 1857.

No. 24. Read the following letter from the Administrator General, Madras ; to the Acting Chief Secretary to Government, Fort St. George, dated 22nd June 1857.

SIR,

1. I have the honor to state that Letters of Administration to the Estate of Paolo Faticante, a native of Naples, but lately a Band Master in the 42nd Regiment N. I., were granted in my favor, on the 29th April 1856.

2. After the payment of all charges, incidental to the closing of the accounts of this Estate, there is a balance in favor, of Company's Rupees 299-0-5 in cash, and a Government Promissory Note, No. 18915, of the four per cent Loan of 30th June 1854, for Company's Rupees 600, forthcoming to the next of kin, and whom I am unable as yet to trace.

3. On reference to the III Section, of Rule III of the " Rules for the office and duties of the Administrator General," I find that provision is made for the payment into the Treasury of sums less than 500 Rupees, where all registered claims have been satisfied, or remain for any long period unclaimed, but no provision appears for Estates exceeding 500 Rupees, and where no representatives have been traced. I request therefore you will be so good as to lay this application before the Right Honorable the Governor in Council, with the view of obtaining his directions, as to whether this Estate may not be also disposed under such, III Section of Rule III, as the doing so will enable this Estate being finally wound up, and save it from the future expense of audit and other charges. In the mean time, the funds will be productive.

(Signed) C. M. TEED,
Administrator General.

No. 25. ORDER THEREON, No. 753 ; dated 2nd July 1857.

The Administrator General reports that, on closing the accounts of the estate of one Paolo Faticante, late Band Master 42nd Regiment M. N. I., there is a balance in favor of the next of kin, who has not yet been traced, of 899 Rupees 5 Annas. The sum of Rupees 600 is in the form of a Government Promissory Note, the rest is in cash. Being doubtful as to the proper mode of disposing of the balance *in cash*, he solicits the orders of Government.

2. It appears to the Government that the course to be adopted is quite clear.

By the term " balances of less than 500 Rupees" (Clause 3 Rule III) must evidently be understood *cash* balances, balances in any other shape of whatever amount

being provided for by Rule VII. The sum of Rupees 299-0-5 should therefore, as the Administrator suggests, be paid into the hands of the

Sub Treasurer as a deposit, bearing interest at 4 per cent. per annum.

Acting Chief Secretary.

closing the assets of the estate of one
Paolo Faticante, late Bank Master
42nd Regt. M. N. S., there is a balance

The sum of Rs 600 is in the form of
a Govt Promissory note, the rest is in

per mode of disposing of the balance

to be adopted is quite clear.
By the term "balances of Govt. Bank

evidently be understood cash balances,
balances in any other shape of whatever
amount being provided for by Rule
VII. The sum of Rs 299⁵ should
therefore, as the Admin^r suggests, be
paid into the hands of the Sub Treas-
