Fort St. George, Judicial Consultation, 7th July 1857.

No. 29. Read the following letter from C. J. SHUBRICK, Esq., Magistrate of Chingleput to E. MALTBY, Esq., Acting Chief Secretary to Government of Fort St. George, dated 30th June 1857.

SIR,

1. With reference to Extract from Minutes of Consultation, No. 477, dated 20th Instant, I have the honor to request, I may be allowed to employ extra Police peons for the custody of the parties sent to me by Colonel Boulderson, the regular force at my disposal being insufficient to meet a permanent call like the present.

2. I have now 6 persons in custody at Poonamally, of whom I have been requested to keep 2 from communicating with each other, and it is possible I may receive others with similar precautions. The necessity of keeping people apart, requires a greater number of peons than when they are allowed to mix in the same building, and it is therefore impossible to regulate the number of peons that may be required merely on the number of prisoners sent for confinement. Under these circumstances, I request the permission of Government to entertain such number of peons as I may from time to time deem necessary, at my discretion, from the present date.

3. I have this day ordered the entertainment of 6 additional peons for the purposes above mentioned.

4. I beg to report that the Joint Magistrate, Lieutenant Colonel Impett, informs me that the quarters in the fort of Poonamally will not be available for the prisoners for more than about 2 months, as the Invalids of the season may then be expected to arrive, and require them, and also the Recruits. I beg I may be favored with instructions as to whether I may send the prisoners to Chingleput at the end of that time, if it is still deemed necessary to detain them.

5. The lock up room in the Talook Cutcherry, is not suitable for the reception of these people, and would not be large enough to keep them in for any length of time, and the close confinement might be injurious to their health.

(Signed) C. J. SHUBRICK,
Magistrate.
