Fort St. George, Judicial Consultation, 4th August 1857.

No. 22. Read the following letter from J. D. ROBINSON, Esq., Acting Collector of Canara; to E. MALTBY, Esq., Acting Chief Secretary to Government, Fort St. George, dated Mangalore, 13th July 1857, No. 27.

SIR,

I have the honor to bring to the notice of Government, that great inconvenience is now experienced by several of the Subordinate European Officers in this district, in consequence of copies of the Government Acts not being supplied for the use of their offices.

• 10th April. 2. Under existing Rules,* dated so far back as the year 1835, this district is only provided with two copies, one of which is retained in the Collector's office, and the other supplied to that of the Sub Collector. Other officers are by the same order required to provide themselves with copies of all Acts and Regulations as they appear. These orders were probably framed with reference to the cost and difficulty of printing at the time they were issued, but

now that presses have been so very generally established, and every little circular takes a printed form, I am disposed to think they are no longer applicable, and therefore venture to request that Government will be pleased to authorize the supply of 4 copies of every Government Act for the use of the officers noted in the margin.*

3. This office is now furnished by the Board of Revenue with 4 copies of all their Circular Orders, and the Accountant General and Civil Auditor follow the same course in regard to their Circulars. It does not therefore seem unreasonable to claim an equally liberal allowance in the case of papers of such importance as the Acts of Government.

(Signed) J. D. ROBINSON,
Acting Collector.

No. 23. ORDER THEREON, No. 915; dated 30th July 1857
Resolved that four copies of the Acts of the Legislative Council be in future forwarded to the Acting Collector of Canara for the use of himself and his Covenanted Subordinates.
