Fort St. George, Judicial Consultation, 4th August 1857.

No. 48. Read the following letter from Colonel J. C. BOULDERSON, Commissioner of Police; to E. MALTBY, Esq., Acting Chief Secretary to Government, Fort St. George, dated 23rd July 1857, No. 92.

SIR,

I beg you will do me the favor to represent to His Lordship in Council that the duty which the men of the mounted branch of Madras Police have to perform involves much exposure at night. In the course of the past month, the men on duty have been several times drenched with rain, and during the last 3 nights they have suffered much from the same cause. It seems to me highly expedient therefore that they should be provided with warm and dry clothing; will you therefore solicit His Lordship in Council to allow each man to be furnished by the Agent for Army Clothing, at the expense of Government, with one blue broad cloth tunic, and a pair of trowsers of the same material. I also recommend that each man should be supplied with a cape made of common stout long cloth, rendered water proof by a preparation of linseed oil and turpentine, according to the muster herewith sent, which was prepared at the Arsenal of Fort St. George.

(Signed) J. C. BOULDERSON,
Commissioner of Police.

No. 49. ORDER THEREON, No. 931; dated 31st July 1857.

Under the circumstances represented in the foregoing communication, the Right Honorable the Governor in Council authorizes the Agent for Army Clothing to furnish, at the expense at Government, each of the men of the mounted branch of the Madras Police Force with a blue broad cloth tunic, a pair of trowsers of the same material and a cape of water proof cloth similar to the samples submitted by the Commissioner of Police.

(Signed) E. MALTBY,
Acting Chief Secretary.
