The Medical duties of the Civil Station of
Coulmaconum will be Conducted by Native Surgeon

Sessions Judge Comba
Camm, J. P. Surgeon
M. Joseph, M.D. & C. L.
J. P. Surgeon of Comba
Camm, dated 20 July
1887 with two certificates
attached.

1 In submitting the accompanying
application from Dr. Joseph, J. P. Surgeon
at CombaCamm for privilege leave for six
days in next month, instead of from 25th to
30th April last, which he obtained, but of
which he did not avail himself, the Military
Auditor General has the honor to repeat
that privilege leave for 30 days in the
period from the 1st January to the 30th June
inclusive, and for 30 days in the period
from 1st July to the 31st December inclusive, may
be obtained by an Officer employed in the
Civil Department, but there is no rule,
under which a portion of privilege leave,
whether granted but not enjoyed, or not
obtained, during the 1st 6 months of the
year, can be claimed during the second
six months.

2 There appears, however, no objec-
tion to Dr. Joseph (who seems to have had
no privilege leave in the present year
except that adverted to in his application)
being granted leave for 6 days commencing
from 10th proximo, or date of departure from
his station, but this must of course be
reckoned as part of the privilege leave
