JUDICIAL DEPARTMENT.

No. 945.

Extract from the Minutes of Consultation under date the 4th August 1857.

According to the provisions of Act XI of 1815, a Proclamation is to be the first step taken for preventing private persons possessing Arms in undue quantities or without authority. But at this moment the issue of a Proclamation might be misunderstood, and excite alarm; the Government therefore resolve to postpone this measure, but at the same time to inform the Commissioner of Police, that he is nevertheless authorised to search for and seize Arms, whenever from information before him the public peace and safety render such a step necessary.

2. It is observed that Section 47 of the Police Act (No. XIII of 1856), empowers the Police to dis-arm persons who are found carrying offensive weapons in public places.
