7. A few East Indians might possibly be enlisted at Madras and Vizagapatam, may I consider myself authorized to request the Superintendent of Police at the former, and the Magistrate at the latter place, to employ Recruiting Agents to enlist men, and if successful should the men be duly attested where enlisted and sent up to Calcutta by sea at Government expense.

7. His Honor in Council approves of application being made to Madras and Vizagapatam for Recruits; but great care should be taken in distinguishing between Eurasians and Native Christians, and that the former class alone are enlisted under the conditions of service laid down for this new Corps.
