No. 35. Read the following letter from C. F. CHAMIER, Esq., Acting Register to the Court of Sudder Udalut; to T. PYCROFT, Esq., Chief Secretary to Government, Fort St. George, dated 21st July 1858, No. 54.

SIR,

With reference to the Extract from the Minutes of Consultation, dated 7th Instant, No. 918, I am directed by the Judges of the Sudder Udalut to forward the accompanying application in the prescribed form, for the entertainment of 2 Gardeners to do the work hitherto performed in the Court compound by the Convicts deputed from the Jail at Guindy. The salaries proposed are Rupees 5 for the head Gardener, and Rupees 4 for the under-Gardener, being the wages usually given to servants of this description at the Presidency.

No. 36. ORDER THEREON, No. 1035; dated 31st July 1858.

Resolved that the tabular application for the entertainment of two Gardeners, received with the above letter, be transmitted to the Government of India, for sanction, with the following "Grounds of Proposition."

"It has been hitherto usual to detach daily eight Convicts from the Jail at Guindy to work in the compound of the Court House of the Sudder Udalut. The distance these men have had to travel prevented their doing more than 4 hours work for the day, and the practice of sending such a small party nearly three miles from their Jail is objectionable, as it affords them opportunity, with the connivance of their guards, to commit irregularities, of which repeated complaints have been made. To remedy this evil the Sudder Udalut proposed to employ two Gardeners, one at Rupees 5 and the other at Rupees 4 per mensem, to do the work hitherto performed by the Convicts. Not only is the cost of the Gardeners less than that of the maintenance of the 8 Convicts, but a whole day's labor can be got out of them instead of only 4 hours as in the case of the Convicts. Under these circumstances, the Governor in Council has authorized the entertainment of the two Gardeners subject to confirmation by the Government of India, and he now solicits the sanction of that authority to the measure."

(Here enter 21st July 1858 No 54.)

Resolved that the Valadar
application for the entertainment

the following "grounds of proposition"

"It has been hitherto usual
to detach daily eight convicts
from the Jail at Benidj to

had to travel prevented their

-plaints have been made. To re-
-medy this evil the Sudder Adalat
proposed to employ two gardeners,
one at Rs 5 and the other at Rs 4
per mens, to do the work hitherto
performed by the convicts. Not
only is the cost of the gardeners
less than that of the maintenance
of the 8 convicts, but a whole
day's labor can be got out of them
instead of only 4 hours as in the
case of the convicts. Under these
circumstances, the Governor in
Council has authorized the
employment of the two gardeners
subject to confirmation by the
Government of India, and he
now solicits the sanction of
that authority to the measure.

Examination

The employment of these Gardeners is recommended, to do the work hitherto performed by the 8 Convicts who are detached daily from the Jail at Quindry to labor in the Sudder Court compound; it being considered objectionable to detach so small a party to a distance of nearly 3 miles, as it affords them opportunity with the connivance of their guards to commit irregularities, of which repeated complaints have been made.

The distance the convicts have to travel prevents them from doing more than 4 hours' work daily; but by the employment of the gardeners, a whole day's work can be got from them, and their monthly wages will be less than the maintenance of the said convicts.

It has been hitherto usual to send 8 m.c.
