Fort St. George, Judicial Consultation, 3rd August 1858.

No. 40. Read the following Extract from the Minutes Consultation in the Public Works Department, dated 24th July 1858, No. 1440.

Read the following Extract from the Minutes of Consultation in the Judicial Department.

Referring for early attention paras. 7 to 20 of the letter from the Magistrate of Malabar, regarding the improvement of the communications between the Southern Mahratta Country of the Port of Sedashighur. } (Here enter 4th June 1858, No. 732.)

The letter from the Magistrate of Canara which accompanied the above Extract, has reference to the improvement of the communications between the Southern Mahratta country and the Port of Sedashighur. This subject has engaged attention for a considerable period, and by a late resolution, it was ordered that all the reports received by Government as to the formation of the Sedashighur Harbour and the opening of roads into the interior, should be printed for distribution to the Engineer Officers, in order that the matter might be well deliberated upon; and by the same order the Chief Engineer was further requested to prepare plans and estimates for the works required at Beikkul. Under these circumstances, it seems sufficient to communicate Mr. Fisher's letter to the Officiating Chief Engineer, with reference to the orders of Government quoted above, for such notice as he may think necessary.

(A true Extract.)
