Fort St. George, Judicial Consultation, 26th January 1858.

No. 4. Read the following letter from Colonel J. C. BOULDERSON, Commissioner of Police ; to T. PYCROFT, Esq., Chief Secretary to Government, Fort Saint George, dated 11th January 1858, No. 1.

SIR,

With reference to para. 5 of Extract from Minutes of Consultation, under date 26th November last, No. 1554, Judicial Department, I have the honor to report that soon after the receipt of the order, I found that the Engineer, Lieutenant Rawlins, was engaged in the construction of an enclosure in front of the Sea Custom House, something similar to that which was recommended in the Police report for 1855, though not in the place where, in my opinion, it would have proved most useful. Under these circumstances, I thought it best to wait, in order to ascertain whether the enclosure then under construction would answer the purpose proposed. In fact, to ascertain whether another enclosure nearer the sea would be necessary. In the mean time, a great portion of the beach in front of the Custom House was washed away by the action of the surf on that spot, and the construction of an enclosure between the old bulwark and the sea became no longer practicable for the want of sufficient space.

(Signed) J. C. BOULDERSON,
Commissioner of Police.
