No. 41. Read the following letter from C. WHITTINGHAM, Esq., Magistrate of North Arcot; to T. PYCROFT, Esq., Chief Secretary to Government, Fort Saint George, dated Goriattum, 26th July 1858, No. 42.

SIR,

Para. 1. I have the honor with reference to para. 3 of Extract from the Minutes of Consultation, dated 9th July 1858, No. 937, which I have this day received through the Sessions Judge to state, that in obedience to the orders of Government, I visited in November last, "in person that portion of this district which lies west of Palmanair, and in January, made a tour through the two great Zemindaries of Cauvetnuggur and Calastry," visiting in succession each of the four head Police stations therein.

2. With reference to the remarks contained in para. 4 of the above Extract Minutes of Consultation, I beg to explain that in my letter of the 22nd April 1858, which accompanied the return of heinous offences for the 1st Quarter of 1858, I referred to Moonsiffs, or Heads of village Police who derive no emoluments from that office. Both in Circar and in Zemindary villages, these officers are chosen from among the Monegars who have emoluments as Revenue servants.

3. When a Moonsiff is dismissed for neglect of duty in a Zemindary village, he does not lose his office of Monegar with its emoluments; for in his revenue capacity he is responsible alone to the Zemindar, and his punishment is in consequence merely nominal. The Magistrate therefore has not the same means of inciting the heads of Police to a more zealous discharge of their duty that he possesses in Circar villages, and which have been found so effectual in diminishing gang robberies since the 1st Quarter of 1857, as noticed in my previous reports.

No. 42. ORDER THEREON, No. 1079; dated 9th August 1858.
