No. 12. Read the following letter from C. F. CHAMIER, Esq., Acting Register to the Court of Sudr Udalut; to T. PYCROFT, Esq., Chief Secretary to Government, dated 15th January 1858, No. 4.

SIR,

Adverting to Extract from the Minutes of Consultation, under date the 3rd Ultimo, I am directed by the Judges of the Sudr Udalut to subjoin for the information of the Government, copy of their letter to the Civil Architect, pointing out the "Ameer Baugh" as the only building sufficiently large for a Court House; and to request that, should there be no practical difficulty in rendering those premises available for the Sudr Court, arrangements may be effected for the early removal of the Court to them.

(Signed) C. F. CHAMIER,
Acting Register.

From C. F. CHAMIER, Esq., Acting Register to the Court of Sudr Udalut; to Lieutenant Colonel W. H. ATKINSON, Civil Architect, dated 24th December 1857.

SIR,

1. In reply to your letter of the 12th Instant, the Judges of the Sudr Udalut direct me to state that the house on the Mount Road, known by the name of "Ameer Baugh" appears to them to be the only available building which contains a room sufficiently large for holding their Court in, as well as other necessary accommodation for the Judges and Registers.

2. The space on the ground floor would not suffice for the whole of their establishment and records; but perhaps additional premises might be obtained in the vicinity which might be used jointly with the Ameer Baugh.

3. The Judges request that arrangements may be made, if possible, for their being provided with that, or some other building, from the commencement of the ensuing year, as their present Court House appears to them to be in too unsafe a condition to be any longer occupied.

Extract from the Proceedings of the Chief Engineer, dated 11th January 1858, No. 6566.

Letter from Colonel W. H. ATKINSON, Civil Architect, Presidency Division; to Colonel C. E. FABER, Chief Engineer, dated 5th January 1858, No. 2.

SIR,

With reference to the correspondence on the present supposed unsafe condition of the Sudr Court, I have the honor to forward copy of letter to my address from the Register, informing me of the Judges having made choice of the house on the Mount Road, known by the name of the Ameer Baugh, and at present tenanted by the Agra Bank I believe.

2. The Judges are desirous also of having Mr. Dighton's premises besides, for the use of the Translators and other duties connected with the Court.

3. Your instructions are therefore requested as to what should be done in the matter, as in its present stage I presume, I can have no authority to communicate with the owners or renters of either the Agra Bank or Mr. Dighton's premises.

Resolved to forward for the orders of Government, a copy of the foregoing letter No. 2, dated 5th January 1858, from the Civil Architect, with reference to Extract Minutes Consultation, No. 2245, dated 3rd Ultimo, with the Chief Engineer's recommendation, that the Sudr
