The Prisoner is charged with having on the 12th March 1858 in and near the village of Vernoly, in the Talook of Soopah, and district of Canara, been guilty of aiding and abetting rebellion and murder, by being armed with a gun, and forming one of a gang in open rebellion against Government, which gang, at the date and place aforesaid, attacked the house of one Narraina Shenoy, and seized his person, and foully murdered him - one Bustian, not apprehended, one Bhekko Bhundary, sentenced to death and hung; and Prisoner being the most active agents in perpetrating the aforesaid Crimes.

2dly The Prisoner is charged with having on different occasions between the 28th March and 10th April 1858, had sexual connections with the 4th Witness against her will, she having been violently seized, and being at that period forcibly detained, by the gang of rebels to which Prisoner belonged.

Remarks.

The Prisoner denies the Charges.

The 1st Wit. deposes that Prisoner was one of Bustian's gang when (as deposed at length in former depositions; Vide No. 11412 of 1858 of Spl. Commissioner Robinson's file) the rebels came to Vimdy on the 12th March last; that Prisoner was armed with a gun; that the rebels first

took two guns from Naraina Shenvy's house; that they returned after an interval; that Prisoner told Naraina that he had better give Rs 500 or he would be killed"; that Prisoner, Bustian, and Bhikko Bunday, with 4 other men, took Naraina, 2d Witness, and Witness, to a short distance in the jungles; that Bustian and Bhikko began insisting on the payment of Rs 500; that Naraina then brought some money and jewels from his house, and gave them to Bustian; but the three rebels insisted on more; that tho' Naraina offered to sell his bullocks, and raise more money, they would not hear; and that then Witnesses being removed to the distance of a few yards, and Bustian, Bhikko, and Prisoner only remaining on the spot, the deceased Naraina was foully murdered. Witness states that Bustian drew his sword and struck Naraina over the neck; that Bhikko struck him on the left side; that Prisoner was close by; that he (Witness) swooned, but that he heard Prisoner say "still he did not die," and opening his eyes saw a bloody sword in Prisoner's hand, but that he did not see Prisoner strike. Of ~~this~~ particular regarding Prisr Witness said nothing in his former depositions; but he did state that Bustian, Bhikko, and another individual with

whom

C.A.D.

whom he was not acquainted, were at the spot where Naraina was murdered, whilst the Wit. & others were at a little distance. He now affirms that Prisoner is the individual he alluded to. He states that Prisoner took a red cloth from Naraina's head, tied therein the jewels and money that Naraina had brought, and slung them on his back. Now, as before, he says Naraina first gave the jewels &c to Bustian. In his former deposition he said nothing of Prisoner's having possession of them. He now states that Bustian gave them to Prisoner. Altogether both the present statements of this Witness, and of the 2d Witness, give Prisoner a much more important share in the murder

and events connected
with it, than their former
depositions would lead
to be imputed to the individual
they both mention as being
with Buxtian & Bhikko,
with whom Wit. said they
were not acquainted
but whom they now
identify as Prisoner. They
state they did not mention
certain particulars before
as they did not know
Prisoner's name, and were
speaking of Buxtian,
and Bhikko, but that
now, seeing and recognising
Prisoner, they recall his share
in the Crime more particularly

The 2d Wit. deposes to the
general facts with no
material difference. He
states that Prisoner was
armed with a gun. He
also had before deposed
that a 3d party, with whom
he was not acquainted
was with Buxtan & Bhikko, at the very spot where
Naraina was murdered,
and he now identifies
Prisoner as being the person
alluded to. This Witness did
not see a sword in Pris.
hand; nor did he see him
strike deceased, but he
now states that Prisoner
as well as Buxtian declared
that whoever killed Naraina should be free
to loot his (Naraina's) house;
(only two guns had been
looted therefrom before
the murder), and that
Prisoner, as well as Buxtian, just before the
murder said that those
who were afraid of blood
should stand back.
He states that Buxtian
first received the jewels &c.

brought by Narainia and that Prisr. afterwards received them & tied them in a red cloth taken from Narainia's head, and slung them on his (Prisr.) back. He did not specify this circumstance; nor that Prisoner offered the loot of Narainia's house to whoever would kill the owner; nor that Prisoner as well as Bastian told those afraid of blood to stand back just before the murder- in his former deposition. He declares that his attention was then turned principally to the others and that now seeing Prisr. his recollection is clear and statements correct

The 3d. Wit: in his deposition on Bhundary Bhekkoo's trial

Ca.B.

trial had stated that there was a man named Babili in the gang, and that he was a Sirdar. This Witness now identifies Prisoner as the man alluded to; and his evidence as far as it goes, corroborates that of the 1st & 2d Witness, though, as he was with the larger portion of the gang at the time of the murder, he was not an eye witness thereof.

The 4th Witness was seized by a party of this gang, carried off, and detained with them some 15 days. After her escape a deposition was taken from her in which she deposed to having been on several occasions forced by Babili; a leader, and reputed nephew of Hanmantha Sawant Thr.

She now identifies the Prisoner as the man: and further deposes that she heard him, when sitting with other rebels after eating at a certain spot in the jungle of Nagajery, declare that he had been one of Naraina Shenoy's murderers. The Prisoner denies having been with the rebels at the time, and place, mentioned in the 1st Charge. He denies having had connection with the 4th Wit. either with or without her consent. He states that he was taken by the gang under Bustian and Lakshmana, early in February and that he escaped from them after 7 or 8 days.

On careful consideration of the evidence in this case, independently of

of the strength it derives from circumstances established in other examinations, I am clearly of opinion that though Prisoner is not proved to have actually struck Naraina Shenoy deceased, he is guilty of abetting the murder, in the fullest sense of the term, that he is guilty of having been an active and leading member of the gang of rebels of which Bustian was the leading Sirdar, and that he is also guilty of the offence mentioned in the 2nd Charge.

Sentence

1st witness

Statement made by Pandu Shenvy son of Mankeesn Shenvy, Goud Sarasvuta caste, aged about 22 years, an inhabitant of Virndy in Soopah Talook, before G A Ballard Esquire, Special Commissioner North Canara on the 13th July 1858 at Jugglepett in Soopah Talook Canara District

The witness was put on solemn affirmation under Act V of 1840.

The Prisoner Babili was shown.

1 Look at the Prisoner before the Court. Have you seen him any where; If so where did you see him, & what did he do. State what you saw	I looked at the Prisoner present here. I dont know his name. This Prisoner was with Bastian, in his gang, when the said gang came to

Narna Shenvy's house; looted gems therefrom; and carried away Narna Shenvy Murtoba, & myself, to the jungle; and took jewels &c. from the said Narna Shenvy, and murdered him. I recognize well having seen this Prisoner then. I have given the particulars about this in my former deposition. Now on asking the Prisoner he says his name is Babule. This Prisoner was in Bustian's gang, armed with a gun. The gang which came and took guns from Narna Shenny's house was headed by Bustian & this Prisoner Babule, according to both of whose orders the rest of the gang were acting. This Prisoner also was saying to Narna Shenny "It is better if you would give 500 Rupees, if not you will be killed." According to the saying of this Prisoner, and Bustian, the other 5 men who were with them, took myself, Narna Shenny, and Murtoba to the jungle. After having gone there this Prisoner, Bustian, and Bhiko Bhundary, began to say "Will you give rupees, or should you be beat". Then Narna Shenny begged them not to beat him, and went to his house, and brought and gave money & jewels. Then this Prisoner also began to say, "Give more rupees or you will be beat." Narna Shenny said that he had no more, that if they would let him go he would sell his cattle &c, and give money. Then Bustian said to Narna Shenny "You will

not give money, you will give information to Sircar and bring troops." This Prisoner then said "If so he must be killed." Then Bustian, or some one, said that those who were affraid of blood must stand back. Then 2 persons seized me and 1 man seized Murtoba and began to [illegible]. Then Bustian had his sword drawn out of the scabbard. This man said to take off clothes from Narna Shenny's person. Then this man, Bustian, and Bhiko Bhundary stood in 3 directions so that he (Narna Shenny) may not run away. Within my reaching to a distance of about 4 yards from that place Bustian gave a blow on Narna Shenny's neck, Bhiko Bhundary gave a blow on his left side. This Prisoner said "Still he did not die", and went near Narna Shenny where he (Narna Shenny) had fallen. I did not see this Prisoner strike. But I saw a bloody sword in this Prisoner's hand. This Prisoner took the red cloth which was on Narna Shenny's head, and tying in it the jewels & Rupees given by the said Narna Shenny had tied it on his back. After this we all were taken to a jungle where there were other men. As I did not know the name of this Prisoner I stated before that I had no acquaintance with him. This is the very man (Prisoner Babeli) who I mentioned before as not having acquaintance with

2. You stated in your former deposition that after Bhiko Bhundary gave a blow you fainted. Was it before your fainting or after that you saw the bloody sword in the Prisoner's hand. Recollect well and say?

It was after my fainting, and when I was just recovering that I heard this Prisoner saying "Is the life not gone yet" when I looked & I saw the bloody sword in the Prisoner's hand. I saw, from the place where I was, this Prisoner going on speaking, and being unable to bear the sight I had shut my eyes, and then I saw the bloody sword in the Prisoner's hand. He had no sword before that I did not see whose that sword was, and from whom the Prisoner took it.

Prisoner put no question.

I heard what was read it is correct.

The witness was again questioned on the 14th July 1858 on Solemn affirmation

3 In your deposition given before Mr Robinson you have stated that Bustian gave a blow with a sword to Narna Shenoy that afterwards Bhiko Bhundary gave a blow, & that then you fainted, but now you say that afterwards there was a bloody sword with Babeli. Why did you not state this before?

When a deposition was given by me before mr Robinson I stated what was committed by those whose names I knew. As I did not then know the name of this Prisoner I did not state it. But now on seeing the man it came to my recollection & so I stated the fact.

4 You have stated before that Narna Shenoy gave the jewels &c to Bustian, and now you say that the said jewels &c were with Babeli tied in a red cloth belonging to Narna Shenoy. How is it that the jewels &c given to Bustian were with Babeli?

It is true that the jewels &c were given to Bustian, but afterwards they were given to this Prisoner, I do not know why. I considered that as Bhiko Bhundary & Bustian were saying that this was a nephew of Hunumunth Sawunth the jewels &c might have been given to him (Prisoner)

I heard what was read it is correct.

2d Witness

Statement made by Marloba, son of Lodi Ladhait aged about 28 years, Gowd Saraswat caste an inhabitant of Virnaly in Soopah Taluka before G A Ballard Esqre Spl Commissioner on the 13th July 1858 at Joggahbett in Soopah Taluka Canara district.

The Witness was put on solemn affirmation under Act V of 1840.

Prisoner Babiti was shewn.

Look at the Prisoner before the Court. Have you seen him before any where; if so, where have you seen him, and what did he do? State what you saw?

I looked at the Prisoner before the Court, I recognize having seen him before, but I dont know his name - he says his name is Babiti. On the 12th Polgoon Shooda, this Prisoner armed with a gun, and Buxtian, came and took guns by force from Narna Sheny's house. About the noon of the same day this Prisoner, Buxtian, and 5 others came with arms. Buxtian was saying that this Prisoner was the nephew of Hunamanth Sawanth & Baba Sawanth. As fully explained by me in my former deposition given regarding seizure of myself, Pandu Sheny, and Narna Sheny, and Narayna Sheny's murder, this Prisoner & Buxtian & others came. They & according to their sayings, the rest together, took us to the jungle and there this Prisoner & Buxtian were saying to Narana Sheny "Will you give 500 Rs or should you be killed, and when Buxtian took the sword saying that if the money be not paid he would kill,—Naranna Shenny said "Don't beat I will sell the cattle and pay the money". This Prisoner with his own hands took off the earrings I had and put them on his own ears— Bustan said if Naranna Shenny would be let go, he will bring troops and give trouble, he should not be let go— when Prisoner said "He who would beat (or kill) would be allowed free the booty of Naranna Shenny's house".— Upon Bustan's saying with what should he be beat, the Prisoner said "He would not die soon if he be beat with a gun, he should be beat with the sword." The Prisoner had a gun only.— At the spot where the murder was committed, Bustan, Shikko Hunndary, and this Prisoner were, and when it was said that those who will be afraid of blood should stand back. 2 persons seized me and 2 persons seized Pondu Shenny, and began to move from that place. Bustan took off the scabbard of the sword. When I was being taken I saw from a distance of about 8 fathoms— that Bustan beat on his (Naranna Shenny's) neck & Chikko Hunndary beat on his left side, and I fainted. I don't know who beat afterwards. Afterwards the said 3 men came where we were, and all together went to a jungle where there were many other men— I had mentioned in my former statement that there was one whose acquaintance I had not, and this Prisoner is that very individual I mentioned there—

2 In your former deposition you have stated that Bustan said that "He who would beat would be allowed free the plunder" how you say that Prisoner said so. How is this?	Bustan & this Prisoner both had said so— These two were the principal men in the gang. This man has also taken a snuff box also—
3 What is the value of your ear rings & snuff box?	The ear rings were valued at 4-8 as & the snuff box at 12 annas
4. Had the Prisoner a gun only or had he a sword also?	He had a gun only, but no sword. This Prisoner had on his back tied in a red cloth the jewels &c given by Naranna Shenny before his being murdered.

Prisoner put no question.

I heard what was read it is correct.

(Sgd). Murtoba—

The Witness was again questioned on the th July 1858.

Did you see a sword in Prisoner Bublis hand at the time the murder of Naranna Shenny was committed.	I did not see a sword with him.

6. Have you ~~been~~ stated that Bustau said with what he (Narana Shenoy) should be beat & then this Prisoner Babili said that he (Narayana Shenoy) will not die soon if he beat with a gun, he should be beat with a sword. Why did you not state this before Mr Robinson previously?	In giving the details I forgot to say this fact. But what I have now said is true -
7. You state that the Prisoner had tied in a red cloth belonging to Narana Shenoy the jewels &c given by the said Narana Shenoy, when were the said jewels given, and to whom - Remember well & say.	After we 3 viz my self - Narana Shenoy, & Ponda Shenoy were taken to the jungle Narana Shenoy said he would give what property he had. Then Narana Shenoy was sent back with 2 men, and he brought and gave the jewels &c to Bustau who gave them to this Prisoner Babili

The Prisoner Babili was shown.

1 Look at the Prisoner before the Court. Have you seen him any where If so state where you saw him & what he did?	I looked at him. His name is Babili Savunth. When I was detained by the rebels after

being robbed on the road, on the 12th Phalgoona Bhola, (12th March) from which time up to 17th March, (which date I remember as the Company's troops fired that day on the gang, which then fled leaving me alone,) I have seen the Prisoner in the gang I recognize him well. This Prisoner is the very Babili

On the 11th March when Bustian & others

The Prisoner Babili was shown.

1 / Look at the Prisoner before the Court. Have you seen him before any where, If so state where you saw him and what he did?	I have looked at him. I had mentioned in my former deposition that when I was taken by Bustans gang one man named Babili Sawunth, who called himself nephew of Hunmuntha Sawunth, kept me under restraint in the gang, and forced me and this Prisoner is that very Babili Sawunth, I made mention of in that deposition. I was seized & taken from Sonarmady fields on the same day to Manaye jungle, and from thence to Naga jerry, where this Prisoner began to force me, and was saying that I would be killed if I escape. About 15 days after I was let go from near Haley in Goa territory. Up to that this Prisoner kept me under restraint, and forced me, and after that I was let go. I identify him (Prisoner) because

because I recognize him well.

The deposition given by her before the Tasildar was read over.

2 In your deposition before the Tasildar you have only stated that this Prisoner was in Rustum's gang. And why did you not state that this Prisoner was the man who forced you?

I heard my deposition given before the Tasildar, and just now read. it is correct. I was ashamed, & did not state before the Tasildar that this Prisoner raped me. But as I could not now tell a lie on oath before the gentleman I stated what happened. What I have stated is true. When the gang was at Nagapery one day after dinner they were sitting and speaking among themselves that they burnt the Cutta at Patelly & fired upon the Company's troops then I heard this Prisoner & Rustum say that they killed Narainia Shenoy, and that his (Narainia Shenoy's) neck did not break at the first blow.
