I take the same opportunity to inform you that in anticipation of the sanction of Government the strength noted in the margin† has been entertained from 1st March last, and request that you will also obtain sanction for their pay from the date of their appointment;

for it was absolutely necessary to have some Native Officers with the Recruits, and these men have been accordingly employed.

From Captain C. SMITH, Assistant Agent; to T. J. KNOX, Esq., Acting Agent to the Governor of Fort Saint George in Ganjam, dated Russelcondah, 14th July 1858, No. 26.

SIR,

With reference to your letter No. 368, dated 23rd June 1858, I have the honor to state for your information, that when Government considered proper to increase the Ganjam Sebundies by an additional number of 150 men, this completed a new Company, and it was absolutely necessary for the efficiency of the service that a certain number of Non-Commissioned should be appointed. I communicated in person with the late Acting Agent Mr. W. Knox, who fully concurred with me in opinion; and I merely understood from him that he could not allow additional Sirdars and Jamadars without the express sanction of Government; I consequently promoted the best men from the other Companies as Duffadars, Naib Duffadars and Naigues according to the enclosed Memo. No. 1, who have been doing the same duties as their other comrades since the 1st of March last, without receiving any additional remuneration and who have not even received the pay they would have been entitled to had they remained in their former position; I consider it therefore actually requisite for the efficiency and good of the public service; that the four Companies under my command should be at once completed according to the Memo. No. 2, now forwarded, and request you will be good enough to obtain the sanction of Government, to enable me to carry out the object in view. I beg here to remark that the three Companies under the command of Lieutenant MacNeill the Agent in Orissa, have 1 Sirdar, 1 Jemadar, 6 Duffadars, 6 Naib Duffadars and 6 Naigues to each Company, and I do not think it just that any difference should exist with Sebundies who have similar duties to perform.

Acting Collector.
