Letter from Lieutenant J. BEAN, District Engineer, Malabar; to Colonel C. E. FABER, Chief Engineer, dated Calicut, 8th May 1858, No. 105.

2. In reply I beg to inform you in Mr. Robinson's letter to Government* dated 8th February 1858, No. 19, para. 3, he expressly states that he would apply to me for the estimates and incorporate them with the valuation of the buildings. The amount sanctioned by Government Rupees 1426-13-11 was for the land required for the Police Corps and did not include these Quarters. Mr. Robinson further in his letter to me dated 11th February asked me to include the purchase of the buildings, and in another letter dated 1st May returning the estimates with his countersignature states that the land itself with the exception of Serjeant Byrne's house was included in valuation already sanctioned but not the houses themselves.

3. In the same letter, Mr. Robinson requested me to forward on a Plan and Estimate for the Apothecary's Quarters of the Police Corps.

4. The Plans and Estimates are herewith returned with a revised copy of the estimates for Serjeant Williams and Ryan's houses prepared agreeably to the alterations made in your office.
